

# WE'RE HIRING: BAR STAFF

 **Join the Finley RSC Team!**

## We're Hiring: Bar Staff

There's never been a better time to join your local community club — where the smiles are real, the stories are plenty, and every shift feels like being part of something bigger.

At Finley RSC, we're proud to be a friendly, welcoming hub for locals and visitors alike. We're looking for enthusiastic, outgoing people who love connecting with others and want to help create the warm, relaxed atmosphere our members know and love.

---

## What We're Looking For

- Positive energy and a friendly attitude — personality counts more than experience!
- Enjoy working with people and being part of a close-knit team.
- Current NSW RSA & RCG Certificates (required).
- Driver's Licence – desirable, but not essential.
- Willingness to learn and grow in a supportive environment.

---

## What You'll Get

- On-the-job training, no experience needed.
- A fun, social work environment where community comes first.
- Flexible shifts, great team culture, and opportunities to develop hospitality skills.
- Be part of a club that values its people as much as its patrons.
